Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

- **Okay to for Production Company to park in Pony Rides Overflow Lot on May 31, 2012.**
- **Production Company is to have security man the gate once it is open to prevent individuals other than production from entering prior to 6 a.m.**
- **Production Company allowed to base camp in L.A. Shares lot on May 31, 2012.**
- **Cannot restrict public access.**
- **Must leave minimum 10 consecutive spaces at the entrance for park patrons.**
- **MUST adhere to Park Film Monitor's instructions. Park Film Monitor's instructions and/or judgment may override written guidelines.**
- **Must allow patrons to enter the lot to look for a space even if one is not available. May not restrict patron access.**
- **Okay to double park cars in the back of the parking lot. May not block in any patron vehicles or access to the dumpsters.**
- **Must park all vehicles legally and not block entrances or exits to the parking lot or the actual building.**
- **Company must coexist with the patrons going to the LA Shares building next door.**
- **Must have all vehicles legally parked or they will be cited.**
- **Does not have exclusive use of parking lot.**
- **Equipment must be hand carried.**
- **Cannot have any vehicles moved onto or parked on the grass.**
- **Crew must leave area clean after activity.**
- **May not block any adjacent trails.**

It is the company's responsibility to distribute these guidelines to all crew members. These are general guidelines for the area and are subject to change depending on your request.

-
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
 - Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
 - Film permits do not provide exclusive use of a park or recreation area.
 - Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
 - Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
 - Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
 - Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
 - A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitted and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has

access 24/7 to contact their supervisors if needed. The Permitted will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.

- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitted there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not allowed depending on weather and location conditions. Failure to comply with the smoking restrictions may result in a fine.

Special Filming Conditions for Los Angeles County Beaches

MANHATTAN BEACH

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- i All equipment must be 10 feet from bike path.
- i All equipment must be 15 feet from pedestrian walkway.
- i Companies must fly cables over bike path.
- i Dual permit required with the City of Manhattan Beach.

General Film Permit Conditions

1. Production company must have a finalized copy of the film permit, including General Film Permit Conditions and Parking Lot Guidelines on set at all times.
2. If use of Maintenance or Lifeguard personnel is required, it must be reflected on the permit and call times indicated. Lifeguards require 24-hour notice to be hired with a 4-hour minimum requirement. Maintenance also requires 24-hour notice to be hired. A County Lifeguard is required for any filming that occurs on a beach or parking lot after hours (2200-0600 hrs). There is an 8-hour minimum for all after hours filming.
3. Filming requests will be approved on a case-by-case basis.
4. Companies must cover and/or fly cables over pedestrian walkways and turf areas.
5. Filming must not interfere with Lifeguard or Maintenance activities at any time and must not interfere with scheduled beach or park activities or special events.
6. May not block public or emergency access at any time.
7. No catering or craft services allowed on pedestrian walkways or bike path.
8. No animals allowed unless prior approval from DBH, FilmL.A., and local municipal Animal Control office and is indicated on permit. All dogs must remain on leashes and off sand when not filming.
9. No driving scenes allowed on sand or turf areas.¹
10. Tent use must be indicated on permit. No staking into parking lot. Sandbags or closed water containers must be used for anchoring items on the sand.
11. Emergency access area (marked in red) cannot be used at any time. Exceptions subject to review and approval by DBH Parking and the Fire Department/Lifeguards.
12. All water activities require a Lifeguard to be hired with a minimum of 4 hours of service.
13. Production company may be required to hire a FilmL.A. Monitor if the production or filming negatively impacts public safety or beach operations.
14. Production personnel must be assigned to power cables and/or coned off areas when posing a safety concern.
15. A safety officer must be assigned to motorized equipment when on the sand.
16. Filming and clean-up must be complete by 10:00 p.m. unless otherwise authorized by DBH.

¹ Excludes Dockweiler State Beach

17. No chemicals on the beach or in the water unless approved by the Director and Fire Chief.
18. Production companies must remove all trash and debris resulting from activity.
19. Playback and amplified sound must be kept to moderate levels after 10:00 p.m. so long as not to disturb nearby residents. Prior approval required from DBH and FilmL.A.²
20. Lifeguard towers must be indicated on permit.
21. Digging holes in the sand less than 4 feet deep must be approved by the Director and indicated on permit. Production companies must secure holes in the sand by providing trench shoring, an exclusionary zone with caution tape, staging safety personnel outside the exclusionary zone for rapid rescue, a harness and safety rigging for any person in the trench.
22. All personal motorized watercrafts and vessels must remain 300 yards from the shoreline.
23. No launching or landing of personal motorized watercrafts or vessels from beach.³
24. For safety purposes, flagmen are required for all heavy equipment, machinery, and vehicles that are operated on the beach, including during the loading and unloading of filming equipment on the beach.
25. Proof of insurance meeting each jurisdiction involved is required.
26. Community Surveys must be obtained from residences before filming is permitted to take place between the hours of 10 p.m. to 7:00 a.m. Survey radius will be determined by FilmL.A. based on production activity and parking.
27. Use of 4-wheel drive vehicles on the beach are approved for equipment transporting only. No joy riding in vehicles on the beach at any time. Vehicle speed is limited to 5 m.p.h. at all times.
28. In the event of flowing storm drains, film shoots with water activity may be suspended for a period up to 72 hours due to high bacteria levels in ocean waters. Production companies may also be denied access to certain areas on the beach where there is sewage or required storm drain cleanup by DBH Maintenance staff. These decisions will be made by DBH in consultation with L.A. County Lifeguards and FilmL.A.
29. If a situation arises in which the Lifeguard Captain deems unsafe, a consultation with the on-scene production manager will be conducted to determine safer alternatives. Filming will be suspended until safety measures are adopted.

² Playback and amplified sound is not allowed at Burton Chace Park

³ Exclusions for personal motorized watercrafts at Venice Beach
